Genesis 13:5-11 MSG

5-7 Lot, who was traveling with Abram, was also rich in sheep and cattle and tents. But the land couldn't support both of them; they had too many possessions. They couldn't both live there—quarrels broke out between Abram's shepherds and Lot's shepherds. The Canaanites and Perizzites were also living on the land at the time.

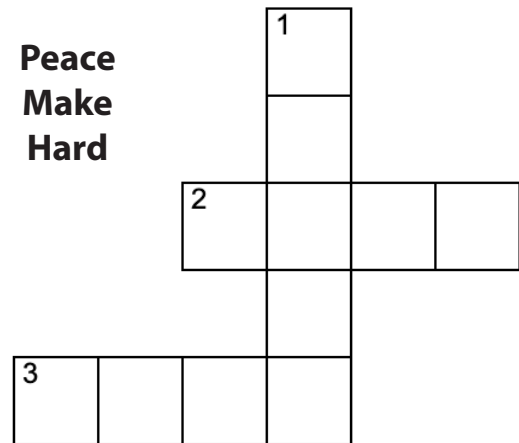

8-9 Abram said to Lot, "Let's not have fighting between us, between your shepherds and my shepherds. After all, we're family. Look around. Isn't there plenty of land out there? Let's separate. If you go left, I'll go right; if you go right, I'll go left."

10-11 Lot looked. He saw the whole plain of the Jordan spread out, well-watered (this was before God destroyed Sodom and Gomorrah), like God's garden, like Egypt, and stretching all the way to Zoar. Lot took the whole plain of the Jordan. Lot set out to the east.
